FIBRA DE MADERA/WOOD FIBRE

Utilizable por ambas caras
Usable on both sides

- Utilizable por ambos lados, un lado liso y el otro con canal.
- Superficie de alta densidad que evita la absorción de líquidos.
- Resistente a manchas o marcas de cuchillos
- Fibra de madera procedente de bosques gestionados de forma sostenible.
- Usable on both sides. One side is smooth and the other side has grooves.
- The surface is high density so liquids aren't absorbed.
- Resists knife marks and stains.
- Environmentally friendly cutting board made with wood fibre and natural resin from sustainably managed forests.
